Welcome to the wonderful activity known as Light Sport Flying where you can learn to fly in half the time, at half the costs, and without having an FAA medical certificate

As a Sport Pilot you can:

- ** Fly to most general aviation airports in the USA
- **Fly any light sport certified aircraft (1 or 2 place aircraft that meets the LSA Rules)
- **Fly daytime hours only
- **Rent or purchase a light sport aircraft any time

To be eligible for a light sport certificate:

- **Must be at least 17 years old
- **Possess a valid drivers' license

Thank You for the Interest in SRT Aviation, Inc's LSA Pilot Training Program,
