This expo highlights one of our most outstanding amenities, the Mt. Vernon Outland Airport (MVN). MVN features a full service FBO, expert mechanics, knowledgeable line service personnel, flight instruction, aircraft rental, aircraft sales, and other services such as the strong presence of the Bonnie Cafe going into their third year. With a fully equipped air rescue and fire-fighting station located on the field as well as Air-Evac Lifeteam IX, both staffed 24/7, MVN is one of the safest places to be. Space is available at MVN for additional aviation-related businesses to grow from this centrally located region of the country. Local volunteers interested in helping their community and wanting to be a part of the aviation industry, have stepped forward to help. The airport authority board and staff have worked tirelessly to make this event excellent for you. Corporate sponsors, local sponsors, and our volunteers make this event run smoothly. Thank you to everyone involved. Please enjoy the 13th Annual Midwest Light Sport Aircraft Expo and your time in Mt. Vernon, Illinois!

The LSA EXPO would like to thank HUCKS for being our awesome water sponsor.
